SUMMARY

Computer Science graduate with hands-on experience in data analysis, machine learning, and problem solving. Proven ability to deliver real-world solutions using Python, SQL, and cloud platforms. Strong analytical mindset with a passion for financial technologies and solving complex business problems at scale.

SKILLS

Languages: C, C++, Java, Python, R, JavaScript
Database Management: SQL, MongoDB, RDBMS
Frontend Development: HTML, CSS, JavaScript
Operating Systems: Linux, Windows
Frameworks: React, Django

Developer Tools: VS code, GitHub
Libraries: Pandas
Data Visualization: PowerBi, Tableau
Others: DSA, OOPS, Machine Learning

Experience

Skillumni

Data Science with Python

Online
June 2025 - Present

- Cleaned and preprocessed data using Python (Pandas, NumPy).
- Built predictive models with Python's machine learning libraries (Scikit-learn).
- Visualized data and communicated insights using Python (Matplotlib, Seaborn).

PERSONAL PROJECTS

Bank Marketing Campaign prediction

[link](#)

- This project presents a classification system built from scratch to predict whether a customer will subscribe to a term deposit product. The implementation involves three algorithms: ID3, CART, and Naive Bayes.
- Developed using **Python and Jupyter Notebook**

Timeslotter

[link](#)

- This website is a unified platform that enables users to book appointments for movies, gyms, hotels, salons, and clinics all in one place.
- Developed using **HTML, CSS, JavaScript**

Spanish Time Translator

[link](#)

- This website plays the sound and translates the specified time to Spanish.
- Developed using **HTML, CSS, JavaScript**

Tic Tac Toe

[link](#)

- This website used to play TIC TAC TOE game for two players.
- Developed using **HTML, CSS, JavaScript**

Mini ATM

[link](#)

- This interface is utilized to carry out all of the fundamental tasks that an ATM is capable of.
- Developed using **JAVA**

EDUCATION

Vellore Institute of Technology

BTech (CSE Data Science)

GPA: 9.19

Vellore, Tamilnadu
2022 - Present

FIITJEE Juniour college

Intermediate (MPC)

GPA: 9.37

Vijayawada, Andhra Pradesh
2020 - 2022

FIITJEE Public school

SSC

GPA: 9.91

Vijayawada, Andhra Pradesh
2020

Certifications

- Microsoft Azure Data Fundamentals ([link](#))
- Business Intelligence using Power BI ([link](#))
- Python Pandas ([link](#))

Strengths

- Strong analytical and problem-solving ability.
- Quick adaptability to new tools and technologies
- Ability to work in a high-pressure, regulated environment.
- Skilled in extracting insights from complex data using statistics, machine learning, and visualization..
